

CONCLUSIONS!

We have now come to the end of our study on Cultivating Fruitfulness. Our goal is to remind ourselves of the key elements which will facilitate the atmosphere for individual and church growth. As you consider the five topics of this study, please make an honest assessment of your understanding as well as the steps to take so your growth as a Christian will continue. I pray that God has blessed you through this study and that you have gained practical and measurable steps to become more fruitful for Christ.

OVERALL THOUGHTS

1. What did you like most about these lessons?

2. What did you like least about these lessons?

Now that you have completed these lessons, we must now apply all that we have learned. Scripture teaches in James 1: 22-25 says ²²Do not merely listen to the word, and so deceive yourselves. Do what it says. ²³Anyone who listens to the word but does not do what it says is like someone who looks at his face in a mirror ²⁴and, after looking at himself, goes away and immediately forgets what he looks like. ²⁵But whoever looks intently into the perfect law that gives freedom, and continues in it—not forgetting what they have heard, but doing it—they will be blessed in what they do.

My prayer is that the Holy Spirit will push you to activate what you have learned so that a great harvest will come forth! Thank you for participating in this study and continue to study God’s word.
