Growth

Directions: For the area, which is your weakest, complete the following section. You may have to Google search some of the scriptures. (This is called study and research! Pastor Ken does this ALL the time). The first chart is Pastor Ken's example. The second chart is blank for you to fill in.

Growth Area	I am getting better by:
<p>Tip #: Build Relationships Over Time</p>	<p>2-3 Scriptures related to my growth area: Galatians 6: 1 Brothers and sisters, if someone is caught in a sin, you who live by the Spirit should restore that person gently. But watch yourselves, or you also may be tempted.</p> <p><i>This is helpful because it reminds me that the person I am witnessing to needs me to be patient with them even if they are still struggling with a specific sin. If I am impatient, I am tempted because I am angry or unforgiving of their weaknesses and forgetting my own.</i></p>
<p>Satan wants me to feel inadequate in saying this, but I can use my own words to explain this tip. (Write your own words in the next box explaining your tip and using at least 1 scripture you found about the topic.)</p>	<p>How will I say this in my own words: <i>Hey "Bill", I know you are still struggling in "X" area. The great part about Christ is that he knows our weaknesses and is patient with us as we grow in Him. If we pray for Jesus to heal us and change us, He will do it. He does this by giving us Christian friends like me, a church that teaches the Bible, a group of people to pray for us, and most importantly the Holy Spirit to guide us each day so that when we feel the temptation to do something wrong we feel Him pushing us to do right. Does that make sense to you?</i></p>

Your Turn! Fill in the blanks!
