We Have a Vision to Be Intentionally Learning

**Where We Began 9 Weeks Ago!**

**Rationale:** We are required by Jesus to do more than present the plan of salvation to people. Once they accept Christ or when they consider saying yes to Jesus as lord and savior, we must be prepared to answer questions of our new brothers and sisters. Matthew 28: 19 tells us "Therefore go and make disciples of all nations" Discipleship is getting an understanding about what we believe and how our beliefs dictate the way we live as believers. Further, as the world seeks to redefine what is truth, we must be in a position to defend our faith. This is only possible when we understand the belief system we have and the scriptural basis of said beliefs.
