Topic: Sharing My Faith: How Can I Simply Share My Faith With My Friends?

Purpose: By the end of this study, I will be able to, more effectively, share my faith with my friends!

Introduction: This lesson centers on simple and straightforward steps to share our faith with our friends. As Christians understand how simple faith sharing can be, we will have greater confidence in speaking on what we believe. Romans 10: 17 is a reminder that people come to faith in Jesus by hearing the gospel message. People must hear and you have the words to speak! It is exciting to know that we are in partnership with God to let people know that they are "so loved that if they believe [in Jesus] they can eternal life."
