

Personal Bible Study Time: Sharing our Faith!

**Week of September 25, 2022**

**Topic:** Do you really care?

**Purpose:** By the end of this study, I will be able to identify where my heart is for salvation.

Introduction: This lesson is mostly a time of reflection. We have concluded our individual study on sharing our faith. We will follow these lessons with in-person study about sharing our faith. Today, I would like for you to consider 5 questions as preparation for that study.

Question 1. Read Numbers 4: 4-9 and John 3: 14-15. How have you done the same for people in terms of lifting up Jesus? How have you not done this? What is the impact for people if you do not follow Moses' pattern?

Question 2. How did you learn about Jesus and come to accept Him as your savior?

Question 3. How has your journey with Jesus influenced your life and impacted those around you?

Question 4. If you did not have Jesus in your life how would you be different?

Question 5. Taking into consideration questions 1-4, why do you feel that you should be more intentional about sharing Jesus with others?

Bonus Question: What is your next step based on this lesson?
